Who Should Complete the MASFA?

- Students not eligible to file a FAFSA, may complete the Massachusetts Application for State Financial Aid (MASFA).
- Student must live in Massachusetts and meet the “High School Completer” status requirements under the MA Tuition Equity Law.
- If the student is a U.S. citizen, an eligible non-citizen, or an international student who is in the United States with a valid visa, they should **NOT** complete the MASFA.

High School Completer Status

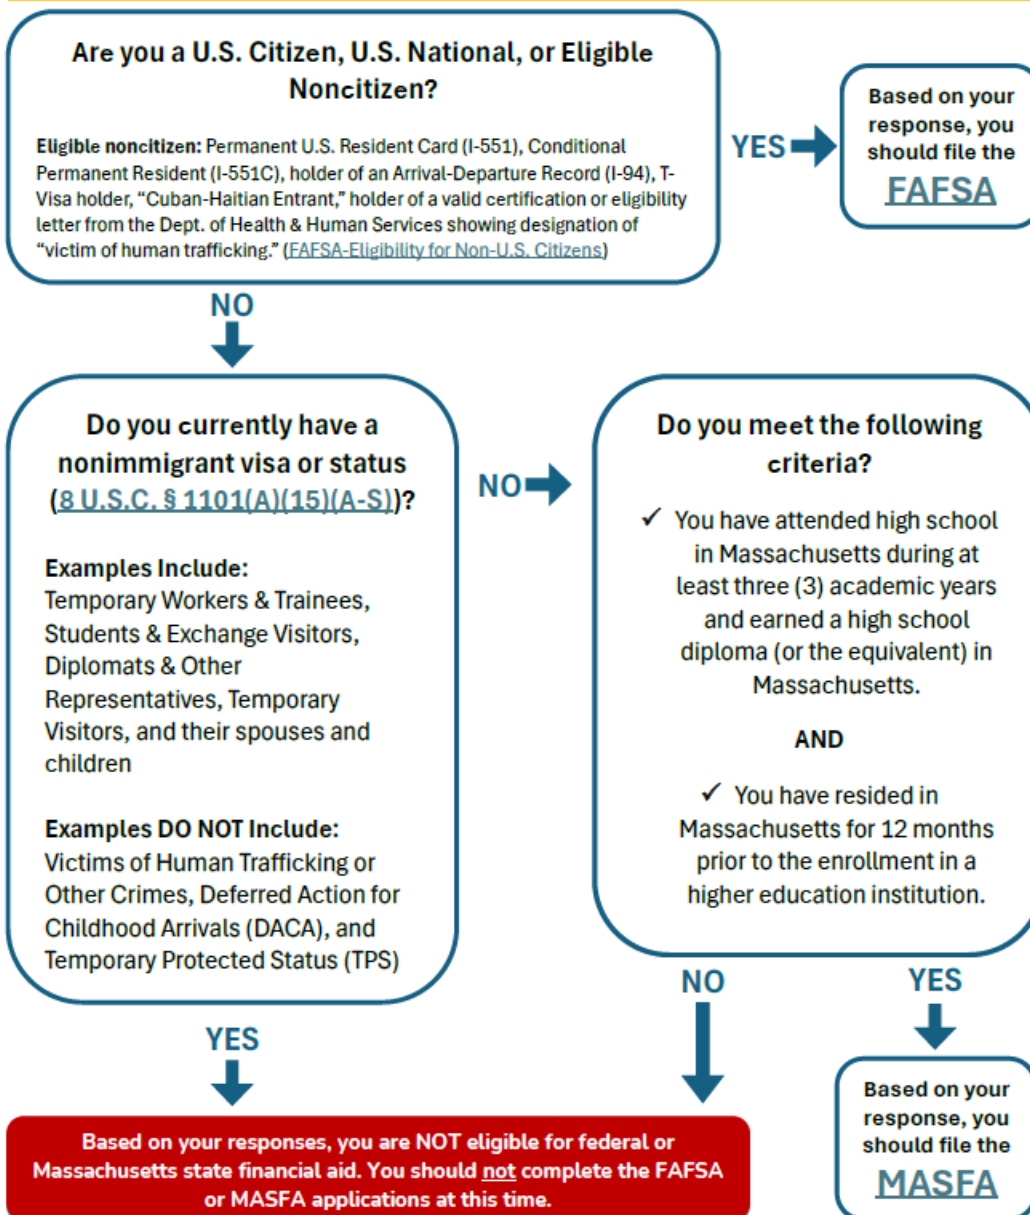

The Massachusetts “High School Completers” Tuition Equity Law carves a pathway to **in-state tuition rates** and **state financial aid** for certain non-US citizen students.

Student must meet **ALL** of the following requirements:

1. **Attended** a Massachusetts High School for **at least three (3) years**
2. **Graduated** from a **MA High School** or have received the equivalent of a high school diploma (i.e., GED/HiSet) in MA
3. Can't have an ineligible non-immigrant status
 - **Eligible statuses** include *Deferred Action for Childhood Arrivals (DACA), Temporary Protected Status (TPS), Victims of Human Trafficking or other Crimes*
4. Physically reside in Massachusetts for at least one year prior to the start of the academic year

WHO SHOULD FILE THE MASFA?

To be eligible for most types of financial aid, students must complete either the Free Application for Federal Student Aid (FAFSA) or Massachusetts Application for State Financial Aid (MASFA). If you are unsure which form to complete, please answer the questions below.

MASFA Application

- The MASFA is only available electronically. Paper applications are not available.
- The MASFA application(s) is available via the [Student Experience Portal](#).
- Students should complete the application on a computer/laptop.
- Completing application on a **mobile phone is NOT recommended.**
- The application collects information to help determine student eligibility for state and institutional financial aid programs.
- It is important that the student read each question carefully, before providing answers.
 - Certain questions may qualify the student to skip other sections on the form. [i.e., Special Circumstances, Parental Information]

MASFA Application

- At the end of the application, the form will require the student (*and parent, if student is a dependent*) to review and sign the application.
- Selecting the **[Electronic] 'E-Signature'** is the **PREFERRED** option in order for the form to automatically calculate the student's Student Aid Index (SAI). ****Faster processing time. School(s) receive student's MASFA data quicker.****
- Selecting 'Paper-Signature' will require students to download application, sign it, and upload the signed application to the portal. This option will require a manual review of the form by the Massachusetts Office of Student Financial Assistance before an SAI can be calculated. ****Extra processing time before school(s) receives the data.****

What Information Needs To Be Provided?

Students will need to provide the following information on the MASFA application:

- **Date of birth, mailing address, phone number, personal email address**
 - Student should use a personal email address that they have access to. Do not use a high school email address [firewall security issues; some students don't have access to HS email address after graduation]
 - Dependents (students under the age of 24) will also need to provide their parent's date of birth, address, email address
- **Social Security (SSN) or Individual Taxpayer Identification Number (ITIN)**
 - If student and/or parent **does not** have an SSN or ITIN, **student CAN complete the application**
 - Dependent students will also be asked to provide parent's SSN information.
- **High School information** (school name, city, state, dates of attendance)
- **Tax return and/or other income information from two years prior**
 - **2025-2026 Application** – Income earned / tax information from **2023**
 - If student is married, spouse's information will also be required
 - If student is under the age of 24, they must provide your parent's information on the MASFA application, even if they will not contribute to student's college expenses.
 - **Professional Judgement:** If there are extenuating circumstances that prevent student from providing parent information, they will be asked to provide additional information to their college and/or MA Office of Student Financial Assistance (OSFA) to determine if they are eligible to be considered as an 'independent' student. Parents not willing to provide information is not considered an extenuating circumstance.

- **2024-2025 Application:** currently open
 - For students **currently enrolled** in college, Fall 2024/Spring 2025
 - Application deadline: June 30, 2025

- Completed applications can be edited, if corrections are needed (i.e., dependency status, degree level, etc.)

■ **Incomplete Applications**

- Student started an application, but did not finish / missing signature(s)
- Provisional Independent status
- Missing SAI (rejected dependent status / unusual circumstances)
- Students with incomplete applications are notified that their application is missing information and advised to contact OSFA for assistance

Student MASFA Status Portal

- Students with a completed application will also receive a separate email from our office inviting them to log in to a *different portal* to view their application status, Student Aid Index (SAI), and *tentative* MASSGrant award.
- If a student has any ineligible reasons they may need to correct (i.e., state of residency, high school information), information/instructions will be provided via this portal.
- Students are advised to contact the school they are attending / planning to attend for additional information on their financial aid eligibility and next steps

MASFA – Next Steps

- **Affidavit Form:** Students must complete Affidavit
 - Schools are required to confirm affidavit form has been completed in our year-end system
 - DHE Legal currently reviewing forms, looking to combine into one
- **Verification Process:** the MA Office of Student Financial Assistance (OSFA) has suspended verification for the 2024-2025 **AND** 2025-2026 applications
 - We are not collecting any additional tax documents at this time
 - We are seeing discrepancies in income data from students who are completing both the FAFSA and MASFA
 - Use MASFA Student Aid Index (SAI) for awarding purposes
- **MASFA Year-End System**
 - Via this platform, schools will claim students, confirm affidavit completed, certify eligibility for the MASSGrant program

Celebrating Tuition Equity for Massachusetts Students

Massachusetts has now expanded eligibility for in-state tuition to students who have attended Massachusetts high schools for at least three years and earned a Massachusetts diploma, an expansion which will ensure that many non-U.S. citizens are able to access in-state tuition and financial aid rates at public higher education institutions in the Commonwealth.
