

How to Get Help with Your CSS Profile

Every college requires you to complete the FAFSA to apply for college financial aid. But more than 200 colleges, universities, and scholarship programs also require another application called the CSS Profile.

If you need help with your CSS Profile, you can request a 1:1 online appointment with a MEFA representative at mefa.org/appointment-request.

Before your appointment with MEFA, make sure you have:

- ✓ Logged in to your College Board account at collegeboard.org/login
- ✓ Started your CSS Profile at cssprofile.org
- ✓ Completed all non-financial sections in the CSS Profile
- ✓ Added all your colleges that require the CSS Profile
- ✓ Gathered your financial documents including parent and student tax returns, W-2 forms, and financial account statements
- ✓ Completed as many financial sections in the CSS Profile as possible
- ✓ Written down your questions
