Merit-Based Aid

• Awarded in recognition of student achievements (academic, artistic, athletic, etc.)
• Might have renewable requirements or not be renewable
• Not offered at every college; check each college’s website for details
• Separate application sometimes required (check deadlines!)
• Application deadline may be as early as November
Need-Based Aid

• Based on family’s financial eligibility (“need”)
• Eligibility determined by a standardized formula
• Includes grants, loans, and work-study
• Most financial aid is need-based
• Must be making satisfactory academic progress
1. How is need-based aid determined at your institution?

2. What should you be communicating to families about your institution’s financial aid policies?

3. Does your school offer merit-based scholarships?
   - How do students apply?
   - Are students required to apply for financial aid even if they receive a merit scholarship?

4. What loans are available for students to take out on their own?
The Application Process
• Families should check deadlines and required applications on each college’s website now—Encourage Families to Apply!
• Early action/decision deadlines are often in Oct or Nov
• Standard deadlines are typically in Feb or March
• Families must MEET APPLICATIONS DEADLINES
• MEFA’s College Application Manager: tool to stay organized
  • mefa.org/college-application-manager
• Free Application for Federal Student Aid (FAFSA)
• Required by all colleges
• fafsa.gov
• Available in December this year (usually Oct 1st)
• Log in with an FSA ID: fsaid.ed.gov
  • Student and any parents on the FAFSA need one!
• Will pull in federal tax data from the IRS (must give consent)
• A Deep Dive into the FAFSA MEFA Institute webinar in Dec
• MUST BE COMPLETED EVERY YEAR
CSS Profile™
- cssprofile.org

- Noncustodial parent submits a separate profile
- A Deep Dive into the CSS Profile MEFA Institute webinar

College Financial Aid Application
- Required by some colleges and universities
1. Colleges & state receive data electronically
2. Student will receive a FAFSA Submission Summary (FSS) by mail or email
3. Contact the Financial Aid Office with any special circumstances
4. Colleges may request Federal Verification documents. The financial aid application is incomplete until families submit these documents.
5. Colleges review applications and determine the financial aid offer
1. What financial aid applications are required and when are they due?
2. If we apply for financial aid will that lessen the likelihood of admittance to your school?
3. Can I still apply for and receive aid if I miss the school’s financial aid deadline?
Cost of Attendance (COA)

COA = Total Expenses for One Year of College

- Billed or Direct Expenses
- Non-Billed or Indirect Expenses

Tuition & Fees + Food & Housing + Books & Supplies + Transportation + Personal Expenses
• SAI has replaced Expected Family Contribution (EFC)
• Amount family has ability to absorb for 1 year of college costs
• Same federal formula used for every family
• Some colleges also use an institutional formula
• Family has the primary responsibility for paying
• Not necessarily what the family will pay
• Pell eligibility isn’t always directly tied to SAI like it was to EFC
• EFC Calculator (name will change to SAI Calculator) on mefa.org
• Pell eligibility isn’t always directly tied to SAI like it was to EFC
• There are now 3 paths to Pell eligibility:
  
  **Maximum Pell**
  • Based on federal poverty guidelines, AGI, state of residence, family size, and tax filing status
  
  **SAI-Calculated Pell**
  • Used if student doesn’t meet max Pell guidelines
  • Equals max Pell minus the SAI
  • Example: If max Pell = $6,000, and SAI = $4,000, then Pell = $6,000 - $4,000 = $2,000
  
  **Minimum Pell**
  • Used if student isn’t eligible for first two paths above
  • Based on federal poverty guidelines, AGI, state of residence, family size, and tax filing status
Colleges fill in Financial Need with financial aid from all sources

*Negative SAI is treated as zero for this formula
Net Price Calculators

- Online tool found on each institution’s website
- Asks questions about family finances & student academics
- Provides personal, estimated net college price
- Displays federal & institutional aid
- Merit-based aid may also be included
1. What is the total cost of attendance/sticker price?
2. Assuming that cost and family responsibility remain constant, how will grant and loan amounts change from year to year? What if the family’s situation changes?
3. Are scholarships/grants renewable each year? If so, are there conditions such as grade point average, enrollment status, or major?
4. If I make $XYZ in income, how much aid will I get from your school?

• Searching online
  • mefapathway.org
  • CollegeBoard.org
  • Fastweb.com
• Follow MEFA on social media for scholarship alerts
1. Is it possible to ask for a larger scholarship at one school, when you received a larger scholarship from another school?
2. Can we appeal our financial aid offer? If so, when? As soon as possible or after the student has decided the school is the first choice?
3. Will I receive the same amount of aid if I am accepted off of the waitlist?
4. What’s your school’s average student debt and what % of students borrow?
Thank You
