Participating School Changes

If a college or university joins the U.Plan, it must honor Tuition Certificates purchased since the program started in 1995

If a college or university drops out of the U.Plan, it must honor all Tuition Certificates purchased prior to the year it withdrew from the program

The U.Plan and Financial Aid

- **When applying for college financial aid, the U.Plan is considered a parent asset**
- **The financial aid formula assumes families will use up to just 5.6% of parent assets to pay for college costs**
- **Bottom line: The U.Plan, as with other college savings plans, does not significantly impact a student's eligibility for financial aid**
