What is the CSS Profile?

- The College Board's online financial aid application
- Required by almost 200 colleges/universities & a handful of scholarship programs
 - Check each college/university's financial aid website
- All colleges also require the FAFSA®
- Used to award non-federal financial aid funds
- Opens October 1st each year
- Available for both domestic and international students

Why Do Institutions Use the Profile?

- Collects more detailed information than the FAFSA
