Some programs are not offered by any New England public college (For example, Professional Golf Management).

What happens if I change from a Tuition Break-eligible major to a non- Tuition Break major?

You will be charged the standard out-of-state tuition rate from that point forward.

But what if I'm already in a non-Tuition Break major, can I change to a Tuition Break major at that college?

Usually. You need to contact the registrar and/or the college's Tuition Break campus representative (Listed on our website!)
