Loan Interest Rate & Fees

Your interest rate will be between

3.950 %

and

8.950 %

After the starting rate is set, your rate will then remain fixed for the term of the loan.

Your FIXED Interest Rate (upon approval)
The interest rate you pay will be determined after you apply. It will be based upon your credit history and other factors (co-signer credit, if applicable). If approved, we will notify you of the rate you qualify for within the stated range.

Your Interest Rate during the life of the loan.
Your rate is FIXED. This means that your rate will never change during the life of the loan.

Loan Fees

Application Fee: None. Origination Fee: None. Late Charge: None. Returned Check Charge: None. Fee: None.

MAKE FULL PAYMENTS Pay both the principal and interest amounts.	\$10,000	8.950 %	15 years starting after your disbursement	\$18,210.05

About this example

The repayment examples assume a \$10,000 loan. They are based on the highest rate currently charged. The examples assume the borrower begins repayment on the 28th of the month following the month in which the disbursement occurs, and that all payments are made on the date they are due. You may not defer payments. Loans that are subject to a minimum payment of \$50 may receive a shorter loan term.
